14. Unlawful sales, marketing or purchase of explosives
15. Unlawful possession of explosives
16. Theft of explosives
17. Act of negligence and or conspiracy to steal
18. Offence by a body corporate
19. Other offences
20. Trial of offenders under other laws

PART IV - MISCELLANEOUS

21. Regulations
22. Repeal of Cap E18 LFN 2004
23. Interpretation
24. Short title
A BILL

FOR

AN ACT TO REPEAL THE EXPLOSIVES ACT 1964 AND ENACT THE EXPLOSIVES ACT, TO REGULATE THE MANUFACTURE, STORAGE, POSSESSION, USE, DISTRIBUTION, PURCHASE, SALE, TRANSPORTATION, IMPORTATION AND EXPORTATION OF EXPLOSIVES AND FOR RELATED MATTERS

ENACTED by the National Assembly of the Federal Republic of Nigeria-

PART I - LICENCING

1. From the commencement of this Act, any person, carrying on the business of manufacturing, selling, transportation, importation or exportation of explosives for which Licence, Permit or Certificate has already been granted shall continue to carry on such business-

(a) for a period of 6 months; and

(b) where before the expiration of the period specified in paragraph (a) of this section, such person makes an application for the grant of a Licence, Permit or Certificate under this Act, until the final disposal of his application.

2.-(1) The Minister may, by an order published in the official gazette, prohibit the manufacture, storage, possession, use, distribution, purchase, sale, transportation, importation or exportation of any explosives except as authorized in the order.

(2) An order issued under subsection (1) of this section, shall be enforced by the Nigeria Custom Service and the Nigeria Police Explosives Ordinance Disposal Unit at the point of entry.

(3) Notwithstanding the provision of subsection (1) of this section, no person who-
(a) is less than 18 years of age;
(b) has been convicted of an offence involving dishonesty or violence
for a term of not less than six months, at any time during a period of five years
after the expiration of the sentence; or
(c) is under a bond for keeping the peace or for good behavior under
the Criminal Code, shall manufacture, store, be in possession, use, distribute,
purchase, sell, transport, import or export any explosives.

(4) No person shall sell, deliver or dispatch any explosives to a person
whom he knows or has reason to believe at the time of such sale, delivery or
dispatch, to be-

(a) prohibited from the manufacturing, storage, possession, use,
distribution, purchase, sale, transportation, importation, exportation of such
explosives under subsection (1) of this section; or
(b) of unsound mind.

3.- (1) An application for a Licence, Permit or Certificate shall be
made to the Minister.

(2) An applicant shall pay such application and processing fees as
may be prescribed by Regulations made pursuant to this Act.

(3) The Minister shall inform an applicant in writing of his decision to
grant or refuse to grant a Licence, Permit or Certificate within 3 months of
receipt of an application.

(4) A Licence, Permit or Certificate shall be issued upon payment of
the prescribed fee.

(5) A Licence, Permit or Certificate shall be valid for a period of 1 year
from the date of its issuance.

(6) An applicant who is not satisfied with the decision of the Minister
may challenge such decision in the Court.

(7) An Appeal against the decision of the Minister to the Court shall be
filed within 90 days from the date the letter conveying the decisions of the
Minister is received by the applicant.
4.-(1) Subject to the provisions of this Act, no person shall undertake any business in respect of explosives unless he has been granted anyone or more of the following Licences, Permits or Certificates:

(a) Magazine Licence;
(b) Manufacturing Licence;
(c) Mobile Pump Truck (Bulk Explosives) Licence;
(d) Permit to Export Explosives
(e) Permit to Import Explosives;
(f) Permit to Buy Explosives;
(g) Permit to Transfer Explosives;
(h) Permit to Mix and Use Ammonium Nitrate and Fuel Oil (ANFO);
(i) Special Permit to Blast Outside Quarry;
(j) Approved Responsible Person Certificate; or
(k) Blasting Certificate.

(2) A Licence, Permit or Certificate issued under this Act shall be subject to such conditions as may be specified in the Licence, Permit or Certificate or prescribed by Regulations made under this Act.

5.-(1) An applicant for a Licence, Permit or Certificate under this Act shall upon the request of the Minister be screened by the appropriate Security Agency to carry out such screening.

(2) The appropriate Security Agency shall screen the applicant and furnish the Minister with a report in respect of the following:

(a) whether the applicant for the grant or renewal of a Licence, Permit or Certificate has been found guilty or convicted of an offence in any part of Nigeria or elsewhere;

(b) whether the applicant is the subject of a firearms prohibition order within the meaning of the firearms Act Cap F.28 LFN, 2004;

(c) whether the applicant is of good character or repute;
(d) whether the applicant has a history of violence or threat to violence;

(e) whether the applicant has good reason for requiring the Licence, Permit or Certificate;

(f) whether the applicant can be trusted to handle explosives in the manner authorized by the Licence, Permit or Certificate without any danger to public peace, safety and security; and

(g) such other matters as the Minister may request or the Security Agency may consider necessary to bring to the notice of the Minister.

6.- (1) An application for the renewal of a Licence, Permit or Certificate shall be made to the Minister at least 1 month before the expiration of the Licence, Permit or Certificate.

(2) The application shall be accompanied by evidence of payment of the prescribed Licence, Permit or Certificate renewal fee and all other requirements prescribed under the Regulations made under this Act.

7.- (1) The Minister may suspend or revoke a Licence, Permit or Certificate where-

(a) the Licence, Permit or Certificate holder has contravened any of the provisions of this Act, Regulations made under this Act or any other law;

(b) the Licence, Permit or Certificate was obtained by the suppression of material evidence which if brought to the notice of the Minister, would have persuaded him from granting the Licence, Permit or Certificate;

(c) any fee or levy due to be paid by the Licence, Permit or Certificate holder has not been paid;

(d) the Licence, Permit or Certificate holder has violated any safety requirements; or

(e) in the opinion of the Minister, it is in the interest of public safety or security for the Licence, Permit or Certificate to be varied, suspended or revoked.

(2) A Licence, Permit or Certificate holder whose Licence, Permit or
Certificate is varied, suspended or revoked shall be informed of such
variation, suspension or revocation.

PART II - STORAGE AND USE OF EXPLOSIVES

8.- (1) A surface magazine shall be surrounded by a fence approved
by the Minister accessible through a gate which shall be kept securely
locked when not in use.

(2) A surface magazine shall be erected in accordance with the
approved plan and specifications and other such conditions as the Minister
may determine.

(3) An explosives magazine shall be in the care of an approved
person acquainted with the nature of explosives, whose name shall be
entered into the explosives index register.

(4) The person referred to in subsection (3) of this section shall be
responsible for-

(a) the proper receipt, storing, and distribution of the explosives;
and

(b) Keeping full particulars of all receipts and deliveries in the
explosives index register which shall be kept in the magazine.

(5) Underground mining operation shall, where necessary be fitted
with a well regulated magazine for the storage, transportation and use of
explosives.

(6) An underground explosives magazine shall be in the custody of
an approved responsible person acquainted with the nature of explosives,
whose names shall be entered in the explosives index register.

(7) The person referred to in subsection (6) of this section shall be
responsible for-

(a) the proper receipt, storage and distribution of the explosives;
and

(b) keeping full particulars of all receipts and deliveries in the
explosives index register, which shall be kept in the magazine.
(8) Any construction work that requires the use of explosives shall be
fitted with a well regulated storage box in the custody of an approved person.

(9) Explosives shall be in care of an approved person certified to have
basic knowledge as to the use of explosives, whose name shall be entered into
the explosives index register.

(10) The person referred to in sub-section (9) of this section shall be
responsible for-

(a) the proper receipt, storage, and distribution of the explosives; and
(b) keeping full particulars of all receipts and deliveries in the
explosives index register which shall be kept in a magazine.

(11) Contract blasting shall be conducted by a registered company
which shall-

(a) have in its employment a mining engineer registered by Council of
Nigerian Mining Engineers and Geoscientists; and
(b) fulfill such requirements as to enable it purchase, store, transfer
explosives, conduct blasting operations in Mines, Quarries and such other civil
engineering locations in accordance with this Act and Regulations made under
this Act.

9.-1 The Minister shall make Regulations consistent with this Act
authorizing any officer either by name or by virtue of his office to-

(a) enter, inspect and examine any place, aircraft, carriage or vessel in
which an explosives is being manufactured, stored, used, sold, transported,
imported or exported under a Licence, Permit or Certificate granted under this
Act;
(b) enter into any place where he has reason to believe that an
explosives is being manufactured, stored, used, sold, transported, imported or
exported in contravention of this Act or Regulations made under this Act;
(c) take samples, seize, detain or remove any explosives or its
components found in the premises; and
(d) arrest anyone found in such place or premises and if necessary
1 destroy such explosives or its components.
2
4 C41, Laws of the Federation of Nigeria, 2004 relating to search warrants
5 under that Act shall, so far as the same are applicable, apply to searches by
6 persons authorized by Regulations made under this section.
7
8 (3) Where an accident occurs in any place where explosives are
9 manufactured, stored, sold, used or in any aircraft, carriage or vessel
10 conveying an explosives resulting in the loss of human life, serious injury to
11 person or property, the occupier of the place or the master of the aircraft or
12 vessel shall within such a time and in such manner as may be prescribed by
13 Regulation made, under this Act give notice thereof to the-
14
15 (a) Minister;
16
17 (b) Inspector of Explosives in charge of the place where the
18 accident occurred;
19
20 (c) officer in charge of the nearest Police Station.
21
22 (4) The Minister may make Regulations to-
23
24 (a) regulate the procedure at inquires under this section;
25
26 (b) ensure that parties under investigation are given fair hearing;
27
28 (c) prescribe the manner in which and the time within which the
29 notice under subsection (3) of this section shall be given.
30
31 (5) Where an accident occurs in connection with any building,
32 place, aircraft, carriage or vessel under the control of a Licence, Permit or
33 Certificate holder, the appointed Inspector of Explosives in conjunction
34 with the Nigeria Police Explosives Ordinance Disposal Unit and the
35 Department of State Services shall investigate the cause of such accident.
36
37 (6) The appropriate investigating officers appointed under sub-
38 section 1 of this section shall submit a report of its investigation to the
39 Minister stating the causes of the accident and its circumstances.
40
41 (7) Theft of explosives and explosives precursors should be
42 reported by the approved person to the Mines Inspectorate Department and
the nearest Police Station for investigation and possible prosecution.

10. (1) Nothing in this Act shall apply to the manufacturing, possession, use, transportation and importation of any explosives by-
(a) Armed Forces of the Federal Republic of Nigeria;
(b) Defence Factories; and
(c) any person employed by the Federal Government in execution of this Act.

(2) The Minister may by an order in the official gazette, exempt absolutely or subject to such condition, any explosives or any person or class of persons from all or any of the provisions of this Act or Regulations made under this Act.

PART III - OFFENCES AND PENALTIES

11. Any person, who unlawfully imports any explosives into Nigeria or exports explosives from Nigeria commits an offence and is liable on conviction to life imprisonment without option of fine.

12. Any person, who unlawfully manufactures any explosives, commits an offence and is liable on conviction to life imprisonment without option of fine.

13. Any person, who unlawfully uses or stores any explosives, commits an offence and is liable on conviction to a fine of not less than 40 million naira or imprisonment for a term of not less than 20 years or both.

14. Any person, who unlawfully transports any explosives, commits an offence and is liable on conviction to a fine of not less than 20 million naira or imprisonment for a term of not less than 10 years or both.

15. Any person, who unlawfully sells or markets any explosives commits an offence and is liable on conviction to a fine of not less than 40 million naira or imprisonment for a term of not less than 20 years or both.

16. Any person, who is in unlawful possession of any explosives, commits an offence and is liable on conviction to a fine of not less than 20 million naira or imprisonment for a term of not less than 10 years or both.
17. Any person who steals any explosives from a store, magazine, cargo, vessel, or aircraft while in stock or during transit or blasting commits an offence and shall be liable on conviction to life imprisonment without option of fine.

18. Any person(s) who negligently allows any explosives to be stolen from any store, magazine, cargo, vessel, or aircraft commits an offence and is liable on conviction to a fine of not less than 20 million naira or imprisonment for a term of not less than 10 years or both.

19.(1) Where an offence under this Act is committed by a body corporate, any person who, at the time the offence was committed, was in charge of or responsible for the conduct of the business of the body corporate shall be charged with the same offence as the body corporate and liable on conviction to—

(a) a penalty of not less than 40 million naira; or

(b) Imprisonment for a term of not less than 20 years, or both.

(2) Where an offence under this section is proved to have been committed with the connivance of or is attributable to any neglect on the part of any officer of the corporate body, such officer shall be deemed to have committed the offence and is liable on conviction to a fine of not less than 40 million naira or imprisonment for a term of not less than 20 years or both.

(3) It shall be a defence for a person charged under this section where such person proves that the offence for which he was charged was committed without his knowledge or that he exercised all due diligence to prevent the commission of the offence.

20.(1) Any person, who fails to give notice or report an accident under section 9(3) of this Act, commits an offence and is liable on conviction to a fine of not less than 10 million naira or imprisonment for a term of not less than 5 years.

(2) Where, for an offence committed under section 11 of this Act, the importation or exportation is done—
(a) through the sea, the owner and master of the vessel; or
(b) by air, the owner and master of the aircraft,
shall be liable on conviction to a fine of not less than 80 million naira.
(3) The court may for the purpose of compelling the payment of the
fine referred to in subsection (2) of this section by an owner or master of an
aircraft or vessel, direct that the aircraft or vessel be levied by Distress or Sale.
(4) Any person who contravenes the provisions of any Regulations
made under this Act, commits an offence and is liable on conviction to such
penalties as may be prescribed under the Regulations.
(5) Where a person is convicted of an offence under this Act or
Regulations made under this Act, the court may direct that the explosives,
ingredients or substances used in the commission of the offence and receptacle
containing such explosives, ingredients or substances be forfeited to the
Federal Government.
(6) Where a Licence, Permit or Certificate holder contravenes any of
the provisions of this Act, Regulations made under this Act or any other law, the
court may, in addition to any penalty stipulated for the offence, make such an
order for the variation, suspension or revocation of the Licence, Permit or
Certificate holder's Licence, Permit or Certificate.

21. Nothing in this Act shall prevent any person from being
prosecuted under any other law for an act or omission which constitutes an
offence under this Act from being liable under that other law to any other or
higher punishment of penalty than that provided under this Act, provided no
person shall be punished twice for the same offence.

PART IV - MISCELLANEOUS

22.- (1) The Minister may, make Regulations generally to give full
effect to the provisions of this Act.
(2) Regulations made under sub-section (1) of this section may
provide for the-
(a) fees to be charged for a Licence, Permit or Certificate;
(b) manner in which applications for a Licence, Permit or Certificate shall be made and the matters to be specified in such applications;

(c) conditions upon which a Licence, Permit or Certificate shall be granted;

(d) form in which applications shall be made;

(e) circumstances under which fees may be refunded;

(f) total quantity of explosives that a Licence, Permit or Certificate holder can purchase in a given period of time;

(g) fees to be charged in connections with the manufacturing, transportation, importation or exportation of explosives;

(h) procurement of End User Certificate (EUC) from the Office of the National Security Adviser (NSA) to clear imported explosives;

(i) security requirement of explosives during transportation and around the storage facilities to be provided by the Nigerian Police Force Explosives Ordinance Disposal Unit;

(j) exemptions absolutely of any persons or class of persons from the operations of the Regulations;

(k) procedure for vetting by the Department of State Services;

(l) use of permissible explosives for coal mining; and

(m) accountability and establishment of a framework for the control of Ammonium Nitrate.

23.- (1) The Explosives Act Cap E18 LFN 2004 is repealed.

(2) Any person who, before the commencement of this Act, was a holder of a Licence, Permit or Certificate under the repealed Act shall continue to hold such Licence, Permit or Certificate in accordance with the provisions of section 1 of this Act.
